

Aubrey Bledsoe

St. Ursula

This senior goalkeeper helped the Bulldogs (ranked #1 in the nation in a pre-season poll) win back-to-back Ohio state Div. I soccer championships during her sophomore and junior years. Aubrey had 11 shutouts last season, including 5 shutouts in the state playoff competition, thus recording a

shutout in every match in the state tournament. If the Bulldogs win it all again this year, it will make

Ohio history – no team has won 3 consecutive soccer state titles.

Aubrey was 2nd team all GGCL last season, is a great student (National

Honor Society) and is active in community service. During the

summer, Aubrey plays for the Kings Soccer Academy and will take her talents to the next level, playing college soccer in the fall for Wake Forest University. Aubrey also plays basketball for the Bulldogs. Her favorite athlete is LeBron James, favorite movie is Hardball, favorite book is The Shack and most-like-to-meet is Peyton Manning.
