### LaSalle High School

A senior defensive tackle & defensive end, senior team captain Jordan Thompson, who battled an early-season injury, is a force on the field for the Lancers.

His junior year, Jordan put up impressive stats – he had 62 tackles, 4.5 sacks and a forced fumble. He earned numerous honors, including being named 1st team GCL-South, 1st team all-city (Enquirer), 1st team SWO District and 3rd team all-Ohio in Div. II.

“Jordan is an outstanding football player,” says head coach Nate Moore. “He uses his hands to destroy offensive lineman at the point of attack and has the quickness to pursue and make plays down the line of scrimmage. He is a two-sport athlete who is able to maintain a high GPA while taking a rigorous course load.”

Jordan also plays basketball for the Lancers who went 18-6 last season. An academic honors student who is active in community service, his favorite athletes are J.J. Watt and Warren Sapp. Jordan has committed to play football next season at Northwestern University.
